INTERNATIONAL
EXCHANGE SEMESTER
IN NEU-ULM, GERMANY

COURSES TAUGHT IN ENGLISH

The HNU offers a wide range of courses taught in English at either bachelor's or master's level every semester. All of the courses are open to international exchange students.

Business management is an essential part of the course offerings and can be combined with technology, communication, information management and health management.

Inspiring laboratories, modern infrastructure and student projects in cooperation with local companies enrich practice-oriented teaching and research.

Of course exchange students are also welcome to attend courses taught in German (German level of B2* recommended).

SUPPORT FOR EXCHANGE STUDENTS

We offer individual support, small study groups and a very popular orientation programme.

We help finding accommodation for our exchange students and support them with all formalities so that they can start the semester relaxed, well prepared and together with a lot of new international friends.

Our students' families can be sure that they are in good hands with us and in a safe environment.

Our orientation programme includes

- individual support of HNU student buddies
- pick-up from the train station on arrival
- introduction to the German language
- assistance with formalities (visa, health insurance, bank)
- information sessions on studying at the HNU and living in Neu-Ulm and Ulm
- intercultural trainings and intercultural workshops
- regional excursions and leisure activities
- ... and a lot of fun

Activities during the semester

- free German language classes at different levels
- support of language partnerships
- weekly meetings for international students organised by the Erasmus & Friends community
- networking opportunities
